AROMA & WELLNESS | BABOR Body Spa

During an aromatic massage session, the sensations on the skin and olfactory send the brain messages of wellbeing and relaxation. Aromatic massage also has a psycho-sensorial effect, as the scents act on our emotional state. Choose the aroma that best adapts to your mood and that's how you'll feel ...

- With more energy: ENERGIZING.
- With relaxed muscles and a relaxed mood:

RELAXING.

- More balanced at both the muscular and emotional levels: BALANCING.

- More toned and supple: SHAPING.
